Due to the wide diversity of wall or partition types, we cannot provide you with suitable attachment fixtures. To determine which attachment fixtures to use, you will need to identify the type of wall to which you will be fixing this product. Here are some examples of attachment fixtures recommended for :

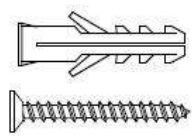

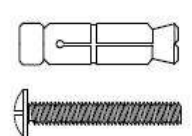

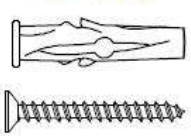

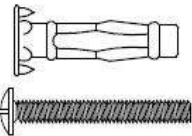

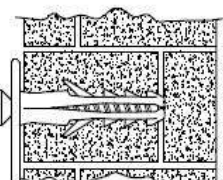

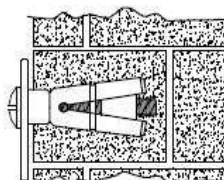

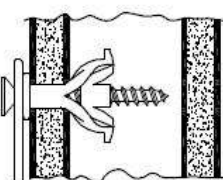

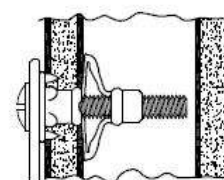

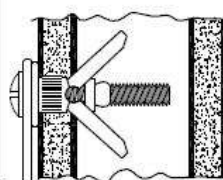

| BLIND WALLS                                                                                                       |                                                                                                              | STUDDED WALLS                                                                                                       |                                                                                                                    |                                                                                                         |
|-------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------|
| <p>"FISCHER"<br/>Nylon plug</p>  | <p>Metal<br/>Wall plug</p>  | <p>Nylon winged<br/>Wall plug</p>  | <p>Metal expansion<br/>plug</p>  | <p>"MOLLY" plug</p>  |
|                                  |                             |                                    |                                  |                      |

Use a drill bit that is compatible in size with the hardware used and the type of wall

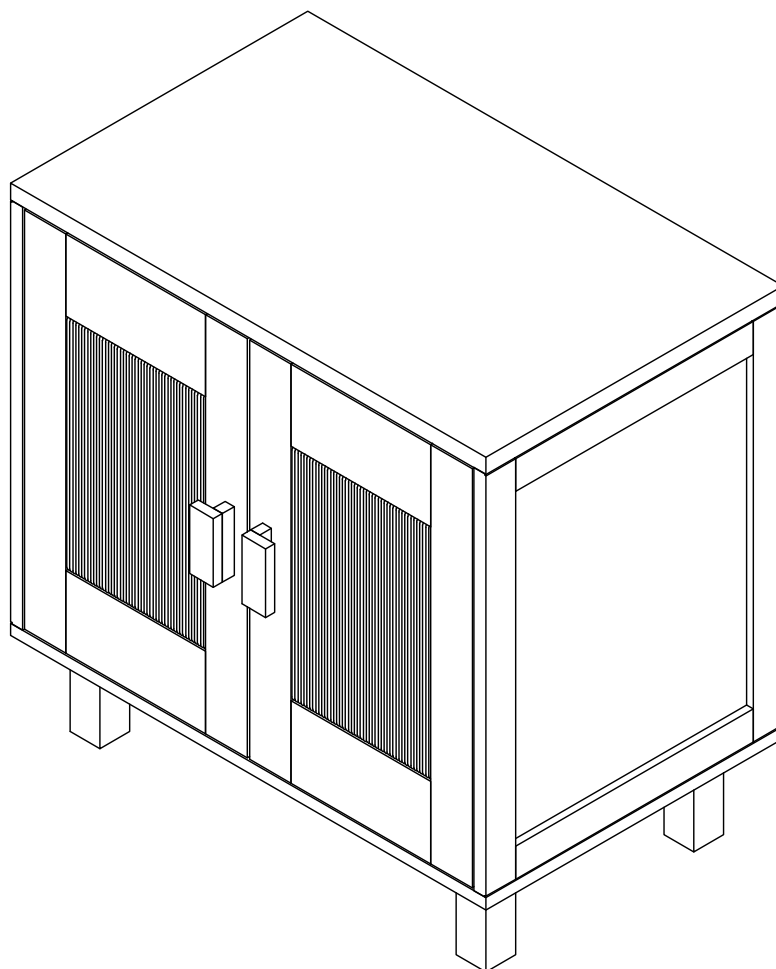

## Fixation du Meuble

Il existe une grande diversité de types de murs ou cloisons, c'est la raison pour laquelle le type exact de fixation ne peut être fourni. Il est nécessaire d'identifier le type de paroi à laquelle vous allez fixer ce produit afin de vous procurer les fixations appropriées. Voici quelques exemples de fixations conseillées pour :

| LES MURS PLEINS                                                                                           |                                                                                                                     | LES CLOISONS CREUSES                                                                                                                        |                                                                                                                             |                                                                                                               |
|-----------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------|
| <p>CHEVILLE NYLON</p>  | <p>CHEVILLE D'ANCRAGE MÉTAL</p>  | <p>CHEVILLE D'ANCRAGE MÉTAL<br/>À AILETTES EN NYLON</p>  | <p>CHEVILLE MÉTALLIQUE À EXPANSION</p>  | <p>CHEVILLE "MOLLY"</p>  |
|                        |                                  |                                                          |                                         |                          |

Utiliser un diamètre de forêt adapté à la cheville utilisée

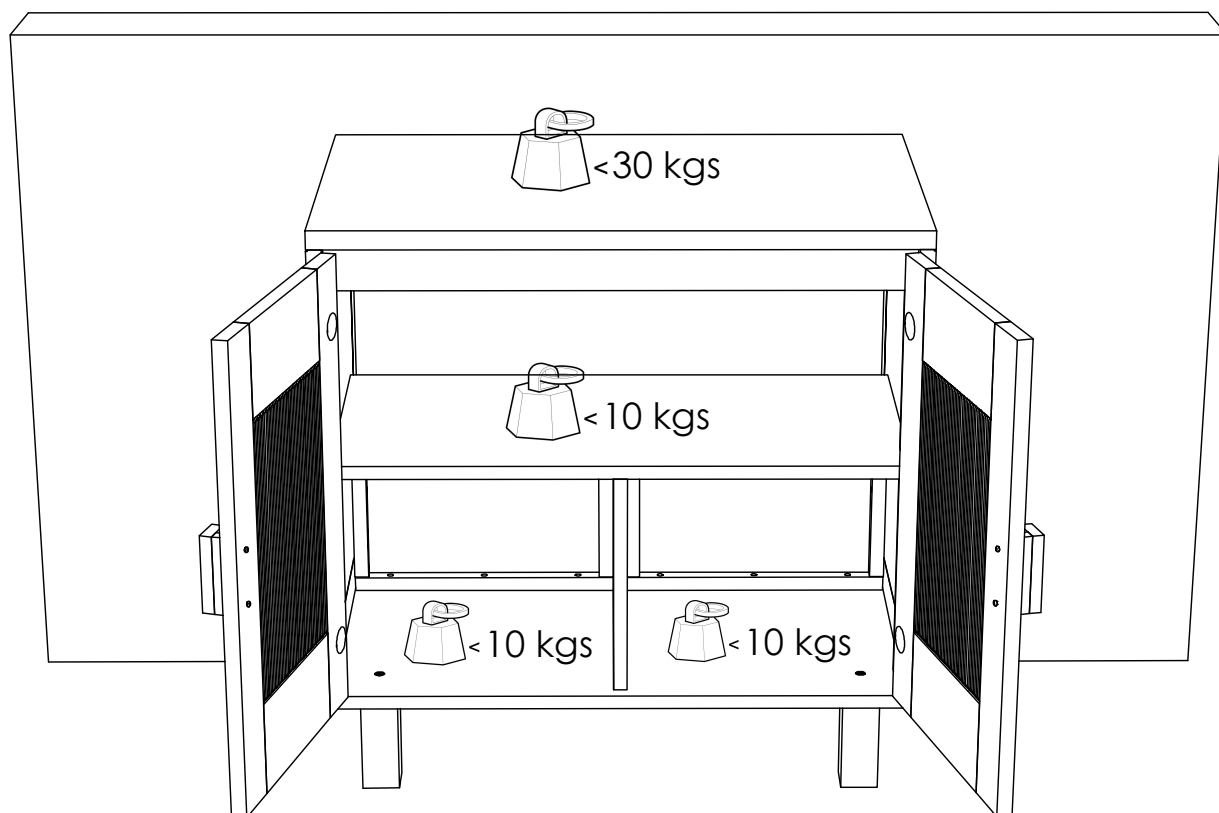

important : a conserver pour un usage ulterieur : a lire attentivement  
important, retain for future reference: read carefully  
importante, a conservar para un uso futuro: lea atentamente  
wichtig, für den zukünftigen gebrauch aufzubewahren: sorgfältig lesen  
importante, da conservare per un uso futuro: da leggere attentivamente

**"WARNING**-Please do not sit on the cabinet  
Please do not place heavy objects on the cabinet or its sides"
